VETERANS HELPING VETERANS AND OUR COMMUNITY

Trip to Veterans Memorial Museum Chehalis WA

Our Pat Tillman Memorial 53 Post family invites you to join our Sons of the American Legion Squadron as they journey to the Veterans Memorial Museum in Chehalis WA. While our SONS are dedicated to the remembrance of all of our Nations Veterans they ask you to join us in welcoming home our Vietnam Veterans at the museums 18th annual Vietnam remembrance ceremonies. Our SONS are challenging the Legion families of WA to come out and show your support! Invite a Veteran of Vietnam to join us and wear your uniform cap or name-tag proudly! Details about the event are available below! PLEASE COME AND JOIN US as we help to pay homage to the generation that missed out on the admiration and respect their service and sacrifice should have granted them! We will be gathering together at 0930 at the museum for prayer from our Detachment of Washington Chaplain and then begin handing out gifts to the Veterans in attendance!

HOPE TO SEE YOU ALL THERE!!

Information from the museum on the program can be found below or visit their website @ <http://www.veteransmuseum.org/>
